2. Sam Archibald from the staff of the Moss Information Subcommittee of House Government Operations telephoned requesting a briefing on the reasons why a report should remain classified. The report is an OSS reported entitled, "Who, Me?" Mr. Archibald was advised that we would check into the matter and be in touch with him in a few days. After some checking, it was learned that Colonel Grogan had handled a similar inquiry from DOD last year. After further checking an appropriate answer will be furnished Archibald.

3. Kenneth DeLieu telephoned to request that the Preparedness Investigating Subcommittee hearing scheduled for 17 March be put over to 18 March at 10:30. This time has been confirmed with the Director's office and Mr. DeLieu advised.

4. The Director telephoned Congressman Francis Walter (Pa.) to determine if HCUA would be interested in interviewing [] [] advised that it was agreed that the interview would occur on 16 March at 10 o'clock and in executive session. Subsequently, [] and Mr. Warner met with Richard Arens, Staff Director of HCUA and Frank Tavenner, Counsel. After discussion of necessary details it was agreed the "staff consultation" would occur at two o'clock on 15 March. In discussion with [] it was learned that he proposed to have lunch with Congressman Gerald R. Ford, Jr. (R., Mich.) with [] present. I requested [] alert Ford of the Agency relationship with the case. [] also furnished the information on the HCUA staff consultation and the proposed release to the press. In the Director's
